Sports Day

Thank you to all families that came to support their children with the sports days and the EYFS fun day. Everyone had brilliant days in the glorious sunshine with outstanding effort from all of the children in the incredible heat. Thank you to everybody for adhering to our spectating rules which ensured a really happy day was had by all.

Gun-Free Game Apps and Thought-Provoking Nonviolent Games for children and young people (Common Sense Media)

We hope you share our concern about children playing violent games and apps that might be unsuitable. At the same time, we want to have a balanced view that children have a natural instinct to playfight (and rough and tumble can be huge fun!). There is a really useful US-based Common Sense Media organisation that supports parents and their children's use of the internet, social media and gaming. They have searched through the currently available apps, and come up with a list of those that might be challenging and exciting, but don't involve the use of guns or violence.

Headlice

Could we please ask families to be vigilant in checking your children's hair as we are seeing a large number of cases of headlice in school lately.

30 Hour Nursery Funding Eligibility

We are looking to introduce 30 hours nursery funding for eligible working parents from September 2018. If you feel that your circumstances would entitle you to these additional hours, please call the school office on 386360 to speak with either Mrs Kennedy or Miss York.

Sun

Please ensure that children come to school with sun cream, a hat and a water bottle with their name on as we are unable to provide these. The hot weather is set to continue for the foreseeable future. We would like to add that boys are permitted to wear the tailored black shorts in the summer and girls can wear yellow or blue checked summer dresses.

The Great Bottle Race

Please help...

We need your bottle donations for the Summer Fair

On Friday 13th July

Each class will be entered in to the race to see who can earn the most points and receive a Prize.

Each bottle has a point value

Points	Bottle types
1	Fruit Shoots, water bottles
3	beer, lager, cider, bubble bath, squash, fizzy cans
5	Small bottles of wine
10	Large bottles of wine, perfumes, liquid toiletries (washing up liquid, handwash)
15	Spirits and Champagne

The race will begin on Friday 22nd June to continue until Wednesday 11th July.

Bring your unopened bottles to school each morning. Give them to the bottle co-ordinator in your class. They will then add the total to the charts in the hall corridor.

Start collecting now ☺
