

Weekly Bulletin

8th October 2018

Achievements

A big well done to Kenzie B in Class 4 for his excellent half termly themed homework project. The subject was 'Moon Zoom' and one of the options was to create a model of the solar system. Kenzie researched and created his project within one night and we think it is amazing! Well done Kenzie!

Healthy Snack

Year 6 are selling popcorn on Wednesdays at 50p per bag. Money should be passed to class teachers (or class cover supervisors) in the morning. Money will not be accepted at the main office.

Macmillan Coffee Morning

Year 6 will be hosting a Coffee Morning at school on the 23rd October 2018 from 9am till 11am in aid of Macmillan Cancer Trust. Families of Year 6 children all welcome.

International Teachers Day!

Did you know that Friday was International Teachers Day? We certainly didn't but we all make a difference! We are very proud of our Windmill Staff because we always see nothing but focus, dedication and drive in getting the best from the children at any level. The week ended perfectly when the head teacher at Telford Park emailed about the excellent conduct of our Year 6 children during their visit on Thursday. All these things don't happen without committed people behind them, outlining their expectations and being great role models for our children. I am sure you will agree we have an amazing team within our Windmill family!

Wear Red for Zac Update

After further donations we are pleased to announce that the final total raised was £337! We would like to say a huge thank you to all our pupils and families for their generosity.

Arthog

On Tuesday 23rd October, 3:15pm-3:30pm there will be an Arthog meeting for parents. This is a chance to clarify any details of the upcoming trip with Miss O'Hara and she will respond to any questions that you might have. It is not imperative that you attend but is an opportunity to put any concerns to rest.

Uniform

Can we please remind families that uniform is white or royal blue polo shirts, unless your child is in Year 6 then it is a gold polo shirt. Some children are wearing the **light blue** version of the polo shirt, which is not our uniform. Also, a reminder that trousers and skirts should be black and not grey.

Bikeability

We are coming to that time of year where Bikeability will be starting again. We would like to ask if families would be kind enough to donate any bicycles, in good working order they no longer need for the children to use. If you do please call into the office or call us on 01952 386360.

Punctuality

Unfortunately if your child arrives later than 9:30am the kitchen staff will be unable to provide a hot meal as the orders will have already been processed, therefore could you please provide your child with a packed lunch. If arriving before 9:30am we would appreciate it if you could let the office staff know if you require a hot meal also so we can make sure your child is added to the dinner list.

Items brought in during school day

Please remember that any items that you need to bring in during the school day be brought to the office before 10:30am. Any later and we cannot guarantee items will get to your child.

Collection Arrangements

If you need to call the office to let us know about a change in collection arrangements please call before 2:30pm so we can make sure the message gets to class on time (we get extremely busy after this time).

Stars of the Week

Pupil Stars: Lois, Charlie-Mai, Bradley, Jacob, Kacie-Lee, Ella, Nicole, Nikola, China, Ava-Rae, Connor, Ajai, Chase and James.

Staff Star: Mrs Cunnington
