Dear Families

## New Classes

Today your child will have spent the morning in their new class, with their new teacher and cover supervisor. I have asked the teachers to have a look out for any children that seem nervous or unhappy and to make me aware if they think there have been any problems or even personality clashes that might mean we need to rethink any decisions. There have been no problems as far as I have seen or heard and so we are pleased to confirm your child's class for next year by means of a slip contained in an envelope addressed to you.

I hope that your child's report that you hopefully received on Friday has shown you how your child has progressed this year and now you know their class for next year, you can work with their next teacher(s) to ensure this progression continues.

I did make a mistake in Friday's letter that accompanied the report - Mr Cox and Mrs Jones are in Class 11 and Mrs Martin and Mrs Lewis are in Class 12. We are interviewing candidates for two cover supervisor posts tomorrow (for Class 7 and Class 2).

## End of term

I would like to wish you an enjoyable summer break. I will send one more letter before we break up to let you know of a few changes for September; the main change being that we will expect children to arrive promptly at 8:50am, rather a flexible arrival time up to 9:00am. You'll have to set your alarms 10 minutes earlier I'm afraid...!

Mark Gibbons, Headteacher
