Attendance Week

This week, all Telford schools have a focus on attendance. Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success – both in school and in life. When you make school attendance a priority, you help your child get better grades, develop healthy life habits, avoid dangerous behaviour and have a better chance of succeeding in life. The class with the highest and most improved attendance will win a non-uniform day and a film afternoon.

Face 2 Face - Supporting parents of disabled children

It can make a real difference to speak to someone who really understands from experience the daily challenges every parent with a child with special needs faces. Face 2 Face provides access to parents of children with special needs, who have volunteered and been trained, to support other parents, through early diagnosis or through challenging times. Whatever your needs, you can be assured of confidentiality and the support of someone who really understands and won't judge you. On the 27th November we will be hosting a drop in session for parents at the school. The session will run 9am- 11am.

If you require any more information you can pick up a leaflet in reception, find them on Facebook or contact:
