Consent (please tick to give your consent)

My child may receive First Aid or any medical treatment deemed necessary by a qualified practitioner, in the case that my specific consent cannot be obtained in an emergency (we will always try to contact you - this is for when we are not able to).

My child may take part in local visits within walking distance of the school (e.g. local schools, churches, etc.).
(The school will always follow appropriate health and safety guidelines for these activities)

My child may take part in school activities that take place outside the school premises.
(You will always be informed if your child is going on any form of transport)

My child may travel in teachers'/other parents'/volunteers' cars or in a minibus to and from venues for particular activities.
(School staff will have an appropriate licence, up-to-date car tax and MOT, and business use vehicle insurance. We cannot guarantee the same for volunteers or parents assisting with transport but, in this case, we will seek specific permission from you for this journey. Where possible, central drop-off points will be arranged, so pupils are not left alone with the adult driver.)

My child may access the Internet at school
(please see the attached information/acceptable use document)

My child may use email and/or apps/programs to communicate with people within school and outside of school, including people from different countries.

My child's work may be published on the school website.

Photographs, video and audio recordings of my child may be used in publicity material, including school documents/school website and any media coverage.

My child may watch PG and 12a films that are deemed suitable for showing in school.

I acknowledge that I am given permission by the school to take photographs and record videos at Windmill events.
(I understand they are for personal use only and I am not permitted to share them publicly, either online or otherwise.)
